HOW IT WORKS

1. Complete the Silverstar Fundraising Program Application and turn it in to one of our locations. A representative of the car wash will contact you after reviewing the application.
2. Once approved for a Silverstar Car Wash fundraiser, you'll set a start and end date to sell your car wash coupons. The order period will run for a 30-day duration. Silverstar Car Wash will provide you with order forms and information to help your organization sell.
3. Once you've completed taking orders, you'll turn your totals in to Silverstar and we will provide you with the coupons to deliver to your customers within 2 weeks.
4. You keep 50% of the profits for each car wash coupon sold!

WHY A CAR WASH FUNDRAISER?

If your organization is looking for an easy way to raise money, Silverstar Car Wash's fundraising program is the way to go!

If selected for a car wash fundraiser with Silverstar Car Wash, you will sell wash coupons that are redeemable at any of our Sioux Falls locations.

Selling tickets to Silverstar Car Wash is better than the usual parking lot car wash for a variety of reasons:

- It is better for the environment! Silverstar's equipment uses much less water per wash than an at-home or parking lot car wash
- This fundraiser is not weather-dependent—the coupons are redeemable at any time and have no expiration date
